School Value for the Term: Kindness

It has been a lovely week at Bure Park Primary this week, with lots of fantastic learning going on. It was lovely to see Year 2 share their maths learning in sharing assembly this week and two thirds of Year 5/6 went to Hill End Centre (in very wet conditions!) to continue their learning about World War Two. Class 10 will go next week – we hope you have better weather!

Tonight, is the School Disco and I know the children are very excited about this. Many thanks to the Buddies committee for organising this event. I was fortunate enough to attend the meeting this week and they have many things planned for the upcoming months including a car boot sale, fun run and the annual summer fete on the 13th July (please save the date) More details about upcoming events will be posted on the newsletter and Facebook group in the coming weeks.

Next week World Book Day is on Thursday and we would like children to dress as a noun – place, thing, animal, human, action. Class 10 are doing this on Friday as they will be on an educational visit on Thursday. The children will also be doing a range of activities based upon books. We also have the book fair in school, children will have opportunities during the school day but you can visit with your child on the following days and time:

- KS2 – Monday 3.30 -4pm
- Nursery, Reception and KS1 – Tuesday 3.30 -4pm

All children will be given a £1 book token.

I hope you have a lovely weekend.

Best Wishes

Buddies News

Buddies is thinking about holding a car boot sale on the school field on Saturday, 27th April, from 12pm to 3pm.

Because it's a new event for us, at this stage we are asking for expressions of interest in having a car / pitch at £10 each - if we get enough expressions of interest we can start organising the boot sale properly.

Could anyone interested please email bureparkpta@gmail.com

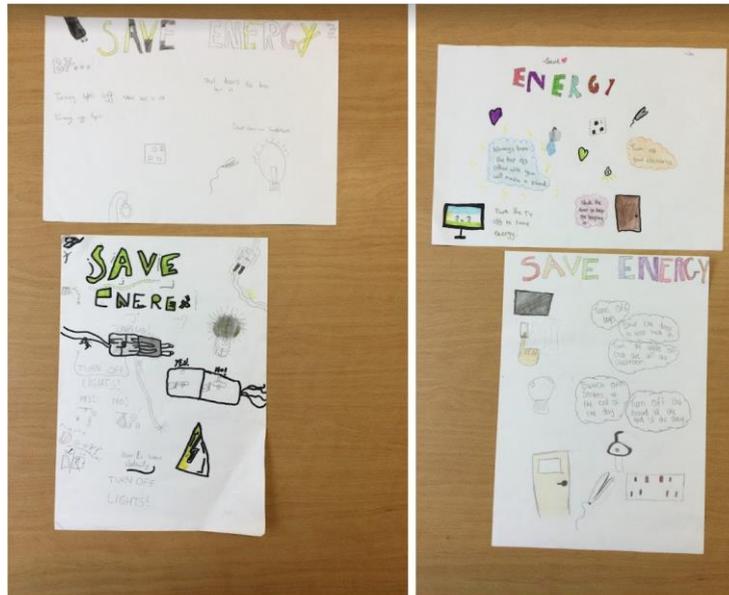

Many thanks, Buddies

Focus on Year 4

As part of some work for the School Council children have been asked to design energy saving posters. They were asked to include some top tips on how to save energy! Here are a few from Year 4. We hope they follow these tips at home too!!

World Down Syndrome Day – 21st March

On the 21st March we will be celebrating World Down Syndrome Day- breaking the stereotype. We are asking all children to come in their normal school uniform with the brightest, most colourful Odd Socks. there is no donation needed for wearing your odd socks. We look forward to seeing them!!

Focus on Year 2

It has been a busy week for the children in year 2, 'showing what they know' as part of our assessment week! The children had a great attitude and all worked really hard-we are incredibly proud of their efforts.

In addition to this the children had the opportunity to participate in an 'inflatable football' session, which was great fun despite the wind preventing the inflatable from being put up!

Our DT focus this term is textiles and the children will be making pouches. This week we got the needles out and tried 'running' stitch. The children worked carefully, safely and with some success.

Also, this week, as part of our RE session, the children brought in and talked about their 'special' books. There was a wide range of books and reasons as to why they are special.

Finally, thank you very much for coming to our sharing assembly on Wednesday-another opportunity for the children to 'show what they know' with their Maths posters.
