15th March 2024

### School Value for the Term: Kindness

Thank you to everyone who came to our parent consultations this week. It was lovely to see so many people. If you have yet to make an appointment, please contact your child's class teacher.

We have also been fortunate to welcome Bikeability again to Bure Park to work with our Year 5 children. There is more information about cycling, later on in the newsletter. Many thanks to the volunteers who make this course happen.

Although we are loving our new animal pupils in year 1, unfortunately we have some reoccurring animals throughout the school, which are not so wanted! We have had a few instances of Headlice in school. It is a common problem, particularly in children age 4 to 11. Please can I ask you all to regularly check your children's hair for head lice and treat the problem as it occurs. For more information - <https://www.nhsinform.scot/illnesses-and-conditions/skin-hair-and-nails/head-lice-and-nits/>

As I write, I am preparing myself to take part in the adults v pupils dodgeball game in aid of Comic Relief today. It has been a lovely day and the children have learned about all the good work Comic Relief does. Many thanks for your contributions.

Next week Year 3 and 4 share their production of Wind in the Willows with the whole school and their families. I am very much looking forward to seeing this, as I have heard some wonderful singing from the confines of my office.

I hope you have a lovely weekend.

Best Wishes

## **Buddies News**

We've had lots of people interested in our car boot sale - thanks to everyone who got in touch!

We can confirm the car boot sale will take place on the school field on Saturday, 27th April, from 12pm to 3pm.

Cars / pitches are £10 each - we'll start emailing out the booking form to everyone who's been in touch already, and anyone still interested (there's plenty of space remaining at the moment) please email [bureparkpta@gmail.com](mailto:bureparkpta@gmail.com)

Many thanks

## **Easter Parade**

The Easter Parade will take place on the last day of term, 28<sup>th</sup> March. We would like the children in EYFS (Nursery and Reception) to create an Easter hat and Children from Y1 to Y6 an Easter T-shirt. Prizes, donated by Buddies, will be given for the best T-shirt or hat in each class.

We will parade these on the playground at:

11am – Nursery

1.20pm – Year R to Year 2

1.40pm – Year 3 to Year 6

This is weather dependent and you are most welcome to come in and watch.

School will close at 2pm on this day.

## Focus on Nursery

This week in nursery we have been learning about Farms. We have shared books to find out what you might find on a farm, and the children have drawn some beautiful pictures of farm animals, tractors and even milk churns.

We have thought about some of the food that comes from farms and printed with potatoes, carrots and apples.

We are looking forward to our trip to Warriner Farm later this term.

The whiteboards and pens have also been very popular this week, with lots of mark making in evidence!

## Sports News

### Hockey - School Games Competition

Last week two teams went to the Bicester Cluster Schools Hockey Tournament at the Cooper School. Both teams played extremely well- especially as most children had never played a hockey match before.

One team managed to win the competition and yesterday went to the North Oxfordshire Schools Final, also held at Cooper School. Although the games were tougher, everybody played brilliantly - with some amazing defending, passing and determination to score goals. Above all the children showed great sportsmanship and fair play, with Captain Ella finishing each game with three cheers for the opposition.

The Bure Park team won their first three games convincingly and had to face Deddington in their final game (Deddington had also won all of their games!) Bure Park took the lead part way into the second half and were close to winning but Deddington came back in the last few minutes to equalise. The final score was 1-1 and both Deddington and Bure Park finished on equal points overall, leaving the final placings down to goal difference (which Deddington won). Although this meant Bure Park finished the day in second place, both schools will now go on to the Oxfordshire School Games Final, which is to be held at Radley College in Abingdon next week.

Well done to every single player for their fantastic performances today and thank you to the parents for their support.

Mrs Hall

## Girls Football

On Thursday evening our KS2 Girls Football team took on Longfield's.

The girls played amazingly well, winning 8-1. With goals from Bethan, Sophia, Emelia and Ellie. Longfield's voted Bethan as the player of the match.

Thank you to all the parents for your side line support!

Well Done Girls

Hi everyone!

I am Zac's mum in Year 3 and I am running the London Marathon in April this year & have chosen to run for The Natasha Allergy Research Foundation. I wondered whether you would be able to sponsor me and help spur me onto the finish line?! The Natasha Allergy Research Foundation has been a wealth of information and support to me as we navigate the constant worry of day to day living with multiple allergies at home. Two of my three beautiful boys live with food allergies, with Zac being particularly severe & currently having 12 known food allergies requiring epipens to be carried. Everyday is a constant risk assessment, even to do the simplest things like going on a bus or to the cinema, yet my little men never cease to amaze me with their happy go lucky outlook on life & their resilience & acceptance when faced with situations where they cannot always easily do what their friends are able to do. I really would love to be able to help make allergy history & am so very grateful of any donation, no matter how small, you are able to give.

Donating through JustGiving is simple, fast and totally secure. Once you donate, they'll send your money directly to Natasha Allergy Research Foundation, so it's the most efficient way to give, saving time and cutting costs for the charity.

You can donate to my JustGiving page by clicking here [https://www.justgiving.com/page/marianne-weaver-1709589998563?utm\\_medium=fundraising&utm\\_content=page%2Fmarianne-weaver-1709589998563&utm\\_source=email&utm\\_campaign=pfp-email](https://www.justgiving.com/page/marianne-weaver-1709589998563?utm_medium=fundraising&utm_content=page%2Fmarianne-weaver-1709589998563&utm_source=email&utm_campaign=pfp-email)

JustGiving sends your donation straight to Natasha Allergy Research Foundation and automatically reclaims Gift Aid if you are a UK taxpayer, so your donation is worth even more.

Thank you for your support!
